

06-12-2023

Greetings, dear students and guardians from Pre-Primary to Class IX and XI.

Hope you all are doing well. We have started our second half of academic after autumn break i.e from end of October and have been giving emphasis with activity based learning and observation and assessment as per CBSE guidelines, and the report for which will be provided to you in the first week of January 2024. We are going to come back to the mainstream academic from January 2024 and we are planning to conduct the Annual Examination 2024 from 1st of March 2024 to 16th March 2024. The tentative time table is attached herewith for planning accordingly. The syllabus for the same will be provided soon. The Annual Examination question paper will be designed according to CBSE new exam pattern consisting of MCQ's, competency based questions, case studies, comprehension, assertion, reasoning etc. you are therefore requested to monitor your child strictly for academic involvement (research, practice, reading, writing) constantly so that, the child can excel in his or her performance.

CBSE assessment pattern has completely changed as compared to the last assessment patterns. All questions are designed with multiple concept assessment, understanding, reasoning, high order thinking, etc

I would also like to inform the students of upcoming batch (2024-25) of class X and XII and their guardians that we are going to start the new session classes in advance for them and the same is scheduled to start from 18th of March 2024. Time Table for the same will be given in the second week of March.

I thank you all for your whole hearted cooperation. Wishing you all a Happy New Year 2024 in advance.

Regards,

Principal
