READING- MARKS 5

Q1. Read the following passage and answer the questions-

ICE CREAM

Fifty years ago people ate ice cream only in the summer. Now it is eaten all the year round.

When the explorer Marco Polo travelled to the Orient, he saw people eating it and brought back the idea to Italy. From Italy the idea was carried to France. It became very popular in France with the nobility and an effort was made to keep the recipe for ice cream a secret from the common people. But, of course, they soon learned how delicious this new food was and ice cream became popular with everyone. Soon it spread all over the world including the United States.

The first wholesale factory for the manufacture of ice cream was started in Baltimore, Maryland, in 1851. The real development of ice cream and the ice cream business didn't take place until after 1900 with new developments in refrigeration.
